## **Ch02: Building Trust and Sales Ethics**

- c. Companies do not cover the use of expense accounts in training programs that deal with sales ethics.
- d. It is mandatory for all companies to allow personal mileage to be included in the expense account.
- e. Expense account forms are filled out by first-level managers and not by salespeople.

## ANSWER: b

100. Sometimes, in a buyer–seller relationship, unethical behavior is not initiated by the salesperson but by the buyer. Which of the following is an example of buyers engaging in unethical behavior?

- a. Asking the salesperson to elaborate on the features of other similar products sold in the market, especially those of a rival company
- b. Asking the salesperson to move him or her up on the order list in exchange for more business in the future
- c. Asking the selling organization to focus on creating more product liability
- d. Asking for more discounts on products than what has already been offered
- e. Asking the salesperson about the service facilities offered by the seller before purchasing the product
